

OLDEST CONGREGATIONAL CHURCH WEST  
OF THE MISSISSIPPI RIVER  
DENMARK, IOWA

Well we're all here - in good  
 shape. Uncle Geo. - got in last  
 one about 10 p.m. - Asa met -  
 the first bunch there with  
 a big touring car as we came  
 out in great style. Had  
 loads of bed room linens - and a  
 vacant house across the street  
 if we want. I am sure it is  
 fine. Mrs. Wadsworth is coming  
 so she can have a good laugh.  
 Don't know how long - will hang  
 out here but likely till the first  
 of September - as ever truly  
 your friend
